KEVIN AND REBECCA GIBBS

Seattle, Washington

While on a mission trip in 2014 to Seattle, Washington, Kevin Gibbs was challenged with a question, “Where would you be if money and resources were not a factor?” Kevin instantly knew the answer—he’d be right there in Seattle. And so in 2019, he and his wife, Rebecca, moved to the city to plant Discovery Church.

Although the pandemic has brought challenges to Discovery Church, its members have been able to focus on intentional evangelism and discipleship. In seeing that people in the community are searching for hope and meaning, Kevin has been able to train church members to view evangelism as part of their identity, thereby empowering church members to share their faith with friends and neighbors.

THE COOPERATIVE PROGRAM is the financial fuel for reaching every person for Jesus Christ in every town, every city, every state, and every nation. Your support through the Cooperative Program allows church planters to impact cities and towns all across the nation and the world with the Gospel of Jesus.

PRAY that God continues to give Kevin and Discovery Church opportunities to have fruitful, Gospel conversations with their community.
