SHAHID AND MAROOFA KAMAL

Vancouver, British Columbia

Shahid and Maroofa Kamal are church planting missionaries among the 300,000 South Asian people of Greater Vancouver, British Columbia. They have started South Asian Community Church in Surrey, which has been called, “the West Coast hub of all things South Asian.”

Many of the people they are trying to reach are adjusting to the Canadian culture and are learning new languages at the same time. It isn’t easy. But Shahid and Maroofa understand this experience well because they moved to Canada with their four children from Pakistan several years ago. Now they’re trying to make their church a place where South Asians can find love and support as they go through this process.

THE COOPERATIVE PROGRAM is the financial fuel for reaching every person for Jesus Christ in every town, every city, every state, and every nation. Your support through the Cooperative Program gives missionaries the opportunity to form genuine, Gospel-centered relationships with those to whom they serve.

PRAY for the Kamals as they minister to the South Asian community of Vancouver and that God would continue to draw people to Himself through their church.
