Missions Giving Report - 2021

CSBC records CP surplus; CMO gifts exceed goal

In 2021 California Southern Baptist Convention recorded a Cooperative Program surplus to build operational reserves for the second consecutive year and received the largest California Mission Offering in its history.

CP gifts for 2021 totaled \$5,836,903, or 90.8 percent of the \$6.425 million objective. The surplus totaled \$606,747 .

Gifts to the CMO totaled \$406,945, or 101.7 percent of the goal. An estate gift of \$216,414 earmarked for California missions also was received in 2021 and added to the offering making the 2021 state mission offering of \$623,259 the largest in CSBC history. The previous high was \$515,392 given in 2005.

Cooperative Program results

While receipts fell short of the CP objective, Marc Tempesta, CSBC chief financial officer, said, the surplus “is a bright spot” for the Convention and signals “a financial shift to be sustainable for years to come.”

Tempesta said CSBC has been diligent in building reserves and has approximately \$4 million, or a years' worth of operational expenses. “CSBC is in a strong position to weather potential storms. With that financial security, I'm excited about a future for the Convention to be proactive rather than reactive.”

Allocations of the \$5.8 million in CP gifts were distributed as follows – 35 percent, or \$2,042,916, for national and world missions through the SBC Executive Committee; 2 percent, or \$116,738, for California Baptist University; 1 percent, or \$58,369, for The Baptist Foundation of California; and 62 percent, or \$3,618,880, for evangelism, missions and ministry through CSBC.

CMO gifts used to resource churches

In 2021, CMO bounced back from its 2020 showing when gifts totaled \$323,788, or 65 percent of the \$499,999 goal. In 2021, the offering surpassed the \$400,000 goal by 1.7 percent and was up 26 percent over 2020 gifts.

The largest recipients of CMO gifts are church planting and evangelism. Church planting was earmarked 40 percent, or \$249,344, while evangelism efforts garnered 22 percent, or \$137,139.

The CSBC Church Planting Initiatives Team uses CMO gifts to help provide month-to-month funding and care for 45 current church planters, as well as 10 new church plants proposed for 2022.

The CSBC Evangelism Initiative Team will utilize CMO funds to assist California churches through training and resourcing. Working with associations, the team is offering one-day, regional, evangelism workshops to train church leaders to create an evangelistic strategy. CSBC also utilizes CMO funds to provide evangelism grants to help churches implement their strategy.

The CSBC Missions Initiatives Team will use CMO to connect, train, fund, and fully engage CSBC churches to reach the lost for Christ through ministries such as providing scholarships for summer missionaries, expanding the reach of migrant ministries, creating a platform for women's ministry, connecting with ethnic fellowship groups, and sponsoring a vision trip for the Asian Pacific Rim Peoples Affinity Partnership with the International Mission Board.”

Tempesta commented that 2021 CMO gifts “show the faithfulness of God's people in California who are committed to missions. They saw a need, an opportunity and invested in it.”

Tempesta said the estate gift earmarked for state missions was “a wonderful surprise. The estate gift designated for the S.G. Posey Offering decades ago, came to fruition in 2021 to have a substantial Kingdom impact in the years to come.”

Faithful giving by California Baptists

Because of gifts to CP and CMO, Pete Ramirez, CSBC associate executive director, said, “more churches are planted, more evangelistic outreaches take place, and more mission projects are accomplished, all resulting in more people coming to know Jesus as their Lord and Savior.”

The 2022 CP objective for CSBC is \$6 million and the CMO goal is \$425,000. Ramirez said, “Both the CP objective and CMO goal for this year can be met with continued faithful giving on the part of California Southern Baptists and their churches. By meeting these goals, CSBC will have vital resources to help churches reach their communities for Christ.”

California Mission Offering

You are a part of the story God is telling in California. Your prayers, your gifts, and your participation are joined together in a purposeful collective we call the California Southern Baptist Convention. In spite of all of the challenges during COVID-19, we've seen you show up in ways that we never could've imagined.

We want to invite you to continue to be a part of writing the next chapter of our collective story. Please continue to join in God's work for our state and prayerfully consider giving to California Mission Offering. You can find more information at csbc.com/cmo.

252

Most California Southern Baptist Convention churches are plateaued or in decline. Through the Church Revitalization Initiatives Team, 252 churches are involved in "Count the Cost," a process to help revitalize congregations by helping them reach people in their communities. Your Cooperative Program and California Mission Offering gifts make this ministry possible and available to all CSBC congregations.

THE WORLD

CSBC sends CP gifts to the Southern Baptist Convention for world mission causes. Most of these gifts fund the strategies of the International and North American Mission Boards, including deployment and support for nearly 9,000 missionaries. Six SBC seminaries (including Gateway Seminary in Southern California) and the Ethics & Religious Liberty Commission also are supported through the Cooperative Program.

SEMINARIES

The SBC uses part of your church's gifts to prepare God-called men and women for vocational service in Baptist churches and in other Christian ministries throughout the world through programs of spiritual development, theological studies, and practical preparation in ministry. Gateway Seminary in Ontario is one of six Southern Baptist Seminaries and the only one in the western United States.

COOPERATIVE PROGRAM

Reaching the World

Church Members

Church members give back to God a percentage of their income. This is traditionally called a tithe and represents 10 percent of what God has provided.

Local Churches

Churches receive tithes and offerings from church members and commit a percentage of undesignated receipts for missions and ministries beyond the church walls.

State Missions and Ministries

Messengers from local congregations vote to retain a specific percentage for state missions and ministries and forward the balance to the SBC. State missions and ministries can include evangelism, church planting, children's homes, Christian higher education, compassion ministries, disaster relief, church health, age group ministries, and missions education.

Southern Baptist Missions and Ministries

The SBC compiles the gifts forwarded from state conventions for missions and ministries across the United States and around the world. Southern Baptist missions and ministries include North American and international missions, theological education, ethics and religious liberty, and general operating expenses.

The Financial Fuel for Reaching Every Person
in Every Town, Every City, Every State, and Every Nation.

FROM NORTH AMERICA

Cooperative Program gifts from your church are used by the North American Mission Board to mobilize Southern Baptists as a missional force to impact North America with the Gospel of Jesus Christ through evangelism and church planting.

namb.net

TO THE ENDS OF THE EARTH

The International Mission Board of the SBC uses Cooperative Program gifts to assist churches of Southern Baptist Convention to be on mission with God in penetrating the unevangelized world outside the United States and Canada with the gospel and making Christ known among all people.

39

Because of your gifts to the Cooperative Program and the California Mission Offering, California Southern Baptist Convention started 39 churches in 2021. That number represents the most church starts in the Southern Baptist Convention by any state body. It also accounts for more than 10 percent of the total number of church starts by Southern Baptists.
